Art Forms (formerly called Urban Arts Initiative) is a community arts organization located in the heart of Hamilton's arts district. We offer art programs to street-involved, homeless, and at-risk young people ages 16 - 25.

We are convinced that through the arts, youth can improve in well-being, commit to education, and become invested in their community.

Come learn about our *NEW* Fall programs, ongoing programs, and other opportunities for youth in our community!

There will be art-making & youth performances throughout the day!
